- i) Goods and Services Tax at prescribed rates will apply on all fees, interest and other charges.
- ii) All charges and fees, as applicable from time to time, are payable by Cardmember(s) towards the services provided by the Bank to the Cardmember(s) and / or for defaults / delays committed by the Cardmember(s) towards payments or otherwise of their respective Corporate Card Account(s).
- iii) The Bank exclusively retains the right to alter any/all charges or fees from time to time or to introduce any new charges or fees, as it may deem appropriate, upon issuing at least a 30 day prior notice to the Cardmember of such change/alteration in the charges or fees. It is clarified that the said change may be indicated to the Cardmember through any media, including Axis Bank website, chosen exclusively by the Bank on its sole discretion. These charges and conditions are subject to change at the sole discretion of the Bank and also under various marketing programs.

### **A) Fees and Charges**

There are joining fees, annual fees and renewal fees applicable on the Corporate Card(s) issued by the Bank. Such fees vary from cardmember to cardmember, and from particular description of Corporate Card to Corporate Card. The applicable fees shall be as communicated to the cardmember at the time of applying for the Corporate Card

and/or at the time of issuance of the said Corporate Card. Further, such fees, as applicable, are directly charged to the cardmember's account and are indicated on the card statement accordingly.

### **Finance / Interest Charge details:**

- 1) Interest will be charged;
  - If the Total Amount Due is not paid by the Payment Due Date, interest will be charged on the Total Amount Due
  - On all cash advances from the date of the withdrawal until the date of payment
  - Late payment fees / interest levied, if the Total Amount Due is unpaid after Payment Due Date
- 2) The Finance Charges as above will continue to be payable even after the closure of the Card Account, till the outstanding on the Card is cleared fully

### **B) Cash Withdrawal/Advance Fees**

The Cardmember can use the Axis Bank Corporate Credit Card to withdraw cash from ATMs in India or overseas in accordance with the compatibility of the Axis Bank Corporate Credit Card at the said ATM(s). A transaction fee shall be levied on all such withdrawals and would be billed to the Card member in the next statement. The cash withdrawal transaction attracts a fee of 2.5% (subject to a minimum of Rs. 250)

### **C) Free Credit Period**

Since the Total Payment Due has to be paid on or before the 'Payment Due Date', hence there is no interest charge on Corporate

Liability Cards.

### **How is Cash different from retail purchase?**

Cash transactions always accrue interest from transaction date unlike retail purchases where interest accrual depends on the payment of 100% balance payment by payment due date. Interest is also charged on all fees and interest levied by the Bank.

### **D) Late Payment Fee Calculation**

Late payment Fee is charged to the Cardmember if there has been no payment or a payment less than the Total payment Due is received by the payment due date. Late Payment Fee is charged at the rate of 3% of Total Payment Due, subject to a minimum of Rs. 350.

Example:

The Total Payment Due (TAD) is Rs. 5,000.00

Statement Date is 15/11/2017

Payment Due Date is 04/12/2017

In the above case if the cardmember does not make the total payment of Rs. 5,000.00 by the payment due date i.e., 04/12/2017, a late payment fee of Rs. 350.00 will be levied on 09/12/2017. This is worked out as per the following logic:

3% of the Total Amount Due is Rs. 150.00

Minimum Late Fee charge is Rs. 350.00

### **E) Over - limit Fee**

The Bank may approve certain transactions attempted by the Cardholder which can

breach the Credit Amount exceeds the Credit Limit, an over-limit fee of 3% of the over-limit amount (subject to a minimum of Rs. 500) will be levied. Over-limit status may occur because of fees or interest charges.

## **F) Charges in foreign currency**

If a transaction is made in a currency other than Indian Rupees, that transaction will be converted into Indian Rupees. The conversion will take place on the date the transaction is settled with Axis Bank, which may not be the same date on which the transaction was made. If the transaction is not in US Dollars, the conversion will be made through US Dollars, by converting the charged amount into US Dollars and then by converting the US Dollar amount into Indian Rupees. Unless a specific rate is required by applicable law, the conversion rate from US Dollar to Indian Rupees will be at the rates provided by VISA / MasterCard, as the case may be, on the settlement date, increased by a Currency Conversion Factor assessment (currently 3.50%) on such transactions.

## **Credit and Cash Withdrawal Limit**

A. The Bank at its sole discretion will determine your Credit Limit and Cash Withdrawal Limit and notify you of the same from time to time. You may however request for a lower limit. The limit so fixed shall be Credit Limit for the Card Account. Credit Limit and available credit limit will also be shown on the monthly statement. Bank may at its

discretion and/or on your request, revise the Credit Limit from time to time.

- B. The outstanding on the Card Account must not exceed the Credit Limit at any time, failing which you will be charged applicable fee irrespective of the amount exceeding the Credit Limit. Excess amount must be paid immediately.

- D. In the event you make payment over and above the amount due as per the monthly statement, you shall not be entitled to interest on the credit balance and the same shall be adjusted against the amount due in subsequent monthly statement.

- **The Credit Limit:** This is the limit assigned to the Cardholder. The total outstanding, including all transactions, fees and charges should not exceed this limit

- **Cash Limit:** This is the Cash Advance Limit assigned to the Cardholder. This limit is lower than the Credit Limit, and is a subset of the overall Credit Limit.

A transaction is levied on cash withdrawn from ATMs. Also, cash transactions always accrue interest from the transaction date, unlike retail purchases, where interest accrual depends on the payment of 100% balance payment by the Payment Due Date

- **Available Credit Limit:** The Available Credit Limit at any time is the difference between the assigned Credit Limit and the outstanding balance on the Card at that point of time.

- **Available Cash Limit:** The Available Cash Limit at any time, is the difference between the assigned Cash Limit & the outstanding cash balance on the Card at that point of time

- **International Limit:** International Limit is the limit assigned to the customer for international usage. It is only applicable for customers who have opted for international usage at the time of Credit Card Application.

## **Default**

In the event of default (if the Total Amount Due is not paid by the payment due date or breach of any clause of the Card Member Agreement), the cardmember will be sent reminders from time to time by post, fax, telephone, email, SMS messaging and/or through third parties appointed for collecting the dues.
