CREDIT RATING

ICRA Ltd. has assigned "AAA" rating with Stable Outlook" to the Rs.2000 crores subordinated Lower Tier 2 debt programme of the Bank. 'AAA' ratings denote the lowest expectation of credit risk. They are assigned only in case of exceptionally strong capacity for payment of financial commitments. This capacity is highly unlikely to be adversely affected by foreseeable events.

Credit Analysis & Research Ltd. has assigned "CARE AAA [Triple A]" rating to subordinated Tier II issue of INR 20 billion. Instruments with this rating are considered to be of the best credit quality, offering highest safety for timely servicing of debt obligations. Such instruments carry minimum credit risk.

The above ratings are not recommendation to buy, sell or hold securities and investors should take their own decision. The ratings may be subject to revision or withdrawal at any time by the assigning rating agencies and each rating should be evaluated independently of any other rating.

iii. A BRIEF SUMMARY OF THE BUSINESS/ ACTIVITIES OF THE ISSUER AND ITS LINE OF BUSINESS.

The Bank is a leading private sector bank and financial services company in India offering a wide range of products and services to corporate and retail customers through a variety of delivery channels. The Bank commenced operations in April 1994 and over the last 17 years, the Bank has grown both in terms of the size of its asset base and its physical network of branches, extension counters and ATMs. The Bank has experienced significant growth while maintaining stable asset quality and enhancing its low-cost funding structure.

As at 31 March 2011, the Bank was the third largest private sector bank in India in terms of total assets. The Bank's total assets as at 31 March 2011 were 2,427.13 billion. The Bank's net profit has grown from 25.15 billion in the year ended 31 March 2010 to 33.88 billion in the year ended 31 March 2011, representing an increase of 34.76 per cent. As at 31 March 2011, the Bank had a network of 1,390 branches and extension counters and 6,270 ATMs spread over 921 cities and towns in India.

In addition to the Bank's growing branch and ATM networks, the Bank also offers telephone banking in various cities, as well as internet banking and mobile telephone banking. These and other resources give the Bank the capability to deliver a broad range of banking products through multiple delivery channels that enhance convenience for customers. As at 31 March 2011, the Bank also had eight overseas offices with branches in Singapore, Hong Kong, the DIFC, Colombo and representative offices in Shanghai, Dubai and Abu Dhabi. The Bank's foreign branches primarily offer corporate banking, trade finance and treasury and risk management services.

The Bank's core income stream comprises interest income earned on its large and mid-corporate, SME and agriculture and retail loan portfolio, as well as its money-market operations and investment portfolio. The Bank also earns fee and commission income from the processing of loans, documentary credits, bank guarantees, placements and syndication, cash management services, advisory services, depository services, capital market services, ATM interchange and cards, remittance, wealth management and sale of third party products. The Bank also earns trading profit from proprietary trading in investments, foreign exchange and derivatives. The Bank's expenses consist of interest and non-interest expenses. The Bank's major non-interest expenses include staff cost, occupancy cost (including rent for office premises, repair and maintenance), depreciation and other administrative costs.

The Bank obtained its certificate of incorporation on 3 December 1993 and its certificate of commencement of business on 14 December 1993. The Bank began operations by opening its first branch in Ahmedabad on 2 April 1994 as one of the first private sector banks established under guidelines issued in 1993 by the RBI in line with the Government's policy to reform India's financial sector. The Bank was renamed as "Axis Bank Limited" and the certificate of incorporation consequent to the name change was obtained on 30 July 2007.

The Bank's principal business activities are divided into two segments, Banking Operations and Treasury.

Banking Operations include products and services in the areas of Corporate Banking and Retail Banking. Under Corporate Banking, the Bank offers various loan and fee-based products and services to large corporations, MSMEs Mid-Corporate and to the agriculture sector. These products and services include cash credit facilities, demand and short-term loans, project finance, export credit, factoring, channel financing, structured products, discounting of bills, documentary credits, guarantees, foreign exchange and derivative products, cash management services, warrant payment services, cross-border trade and correspondent banking services and tax collections on behalf of the Government and various State governments in India. Liability products including current accounts, certificate of deposits and time deposits are also offered to corporate clients. The Bank also offers various Capital Markets related services such as loan syndication and placement, advisory services, depository services, custodian of securities, clearing and settlement services to stock and commodity exchanges.

Business Banking offers transaction banking services, as well as current accounts for businesses and central Government and state government agencies. Investment Banking offers fee-based services such as equity capital markets and mergers and acquisitions advisory services, depository services, clearing and settlement services to stock and commodity exchanges and debenture trusteeship services.

Retail Banking offers a variety of liability and asset products and services to retail customers. Liability products include savings accounts, time deposits and customised products for certain target groups such as high net worth individuals, senior citizens, defence personnel, students and salaried employees. Retail asset products include home loans, personal loans, auto loans, consumer loans, educational loans as well as security-backed loans of various types. The Bank also offers other products and services such as debit and travel currency cards, financial advisory services, bill payment services and wealth management services. The Bank also markets third party products such as mutual funds and Government savings bonds. A wide range of liability and asset products and services are also offered to NRIs.

The Treasury department manages the funding position of the Bank and also manages and maintains its regulatory reserve requirements. The Treasury department also invests in sovereign and corporate debt instruments, undertakes proprietary trading in equity and fixed income securities and foreign exchange. The Treasury department also undertakes investments in commercial paper, mutual funds and floating rate

instruments as part of the management of short-term surplus liquidity. A wide range of treasury products and services are also offered to corporate customers, including derivative instruments such as forward contracts, interest rate swaps, currency swaps and foreign currency options, as well as services such as loan syndication and placement.

Overview of Operations

Corporate Banking

Products and Services

The Bank offers a wide spectrum of financial services to the corporate sector. The Bank serves the large corporate sector, the growing SME sector and the agricultural sector. A broad classification of products and services offered by the Bank is set out below.

Fund-based products. Loans and advances for working capital, corporate finance and project finance.

Non-fund-based products. Non-funded advances such as documentary credits, stand-by letters of credit and guarantees.

Fee-based services. Including fund transfers, cash management services, collection of Government taxes, trade services and loan syndication.

Other products and services offered include time deposits and current accounts (checking accounts). These products and services are delivered to customers through a network of branches, correspondent banking networks, phone banking and the Internet.

Fund-Based Products

Fund-based limits are generally granted by way of overdrafts, cash credit, demand loans, term loans and bills discounted. Generally, the purpose, the security offered, size of advance, repayment terms and requirements of the customer determine the type of facility to be granted.

Working Capital Finance

Cash credit, working capital demand loans and overdraft facilities, which are the most common forms of working capital financing, are funded facilities usually secured by current assets such as inventories and receivables. These facilities are generally extended for a period of one year. In almost all cases, facilities are subject to an annual review and are generally repayable on demand. Interest is collected on a monthly basis, based on daily outstanding amounts.

Bill discounting involves discounting negotiable instruments, which are generally issued for trade receivables. These can also be re-discounted with other banks if required.

Project and Corporate Finance

The Bank provides project finance to companies in the manufacturing, service and infrastructure sectors typically by way of medium and long-term loans. Corporate finance is offered to customers based on the Bank's appraisal of the quality of management, industry, prospects, business model and financial strength of the firm. This financing is generally provided by way of term loans of various tenors in Indian rupees, and in foreign currencies to a limited extent. The Bank offers asset-based lending such as receivable financing and also offers customised corporate finance products to meet specific customer needs.

Non-fund-Based Products

Documentary Credits

The Bank provides documentary credits to customers to meet their working capital requirements as well as for capital equipment purchases. Documentary credits are approved together with a working capital assessment or a project finance assessment. Typically, a working capital line can be drawn down on a revolving basis over the term of the facility. Customers pay fees for draw downs of the documentary credit and the Bank may require additional collateral by way of a cash margin, which depends on the risk perception of the transaction.

Guarantees

Guarantees, which also include "Stand-by Letters of Credit", can be drawn down in a revolving manner over the life of the facility. Guarantees are also assessed during the course of working capital requirements. Guarantees are issued for various purposes such as bid bonds, performance guarantees on behalf of borrowers for execution of contracts, deferral or exemption from payment of statutory duties against performance obligations, advance payments, release of retention monies and other purposes.

The term of guarantees is generally 36 months or less, although certain guarantees with a longer term may be approved. As with documentary credits, the Bank sometimes obtains additional collateral by way of cash margin which, in the case of certain types of guarantees, may be as much as 100 per cent.

Fee-Based Services

Fee income from corporate banking services (which includes fees from Credit, Business Banking and Capital Markets) constitutes one of the significant revenue streams of the Bank. The Bank offers a variety of fee-based services, including cash management services, collection of commercial taxes, trade services, remittances, collections and loan syndication. In addition to these traditional fee-generating products and services, the Bank also offers tailor-made products on fee-basis to address specific corporate customer needs through a Structured Products group.

Lending to MSMEs and SMEs

The Micro, Small and Medium Enterprises (MSME) segment is an area of intense focus for the Bank, as it generates higher yield and helps in diversification of risk. MSMEs offer good business potential both for fund and non-fund based credit and cross selling of products.

The Bank continued its focus on the MSME segment by providing timely and adequate credit to customers with quick turnaround time. The segment offers schematic and non-schematic products including term loans and working capital finance, depending upon the specific requirement of clients.

Under schematic lending, specific loan-based products have been devised to target the requirements of specific customers and loans are made available based on predetermined features, parameters and levels. Loans not falling under any of the product-based schematic lending schemes are treated as non-schematic lending.

The Bank's Small and Medium Enterprises (SME) business segment achieved growth by implementing comprehensive strategies and focusing on specific industry segments and customer preferences.

The Bank continues to pursue a two-pronged strategy of deepening existing relationships and widening its customer base.

Priority Sector Lending

Commercial banks in India are required by the RBI to lend 40 per cent. of their adjusted net bank credit of the previous year to specified sectors known as "priority sectors", subject to certain exemptions permitted by the RBI from time to time. Priority sector advances include loans to agriculture, SME, microfinance loans to sectors deemed "weaker" by the RBI, housing and education finance up to certain ceilings, lending for specific infrastructure projects and investments in instruments issued by specified institutions. The Bank is required to comply with the priority sector lending requirements as at the last reporting Friday of March of every fiscal year. The deposits placed in the Rural Infrastructure Development Fund (RIDF) with NABARD by banks on account of non-achievement of priority sector lending targets/sub-targets and outstanding as on 30 April 2007 would be eligible for classification as indirect finance to the agriculture sector till the date of maturity of such deposits or 31 March 2010, whichever is earlier.

Agricultural Financing

RBI requires the Bank to lend 18 per cent of their adjusted net bank credit of the previous year to the agricultural sector. In light of future business prospects in the Indian agricultural and related sectors, the Bank has identified agricultural lending as an area of potential growth.

The Bank has a diverse range of schematic products such as tractor loans, the Kisan Credit Card (credit facilities to farmers for various requirements), loans against pledges of gold ornaments and contract farming to cater to the varied requirements of the agricultural sector.

The Bank has also introduced additional schematic products such as advances to commission agents, a comprehensive scheme for warehouse receipt financing and cattle loans. As at 31 March 2011, the agriculture business of the Bank is driven through 298 branches attached to agricultural clusters and 34 stand-alone branches which facilitate the Bank's growth in agricultural lending. In order to provide a strategic focus to agricultural lending, the Bank has adopted cluster-centric approach for agricultural lending in areas the Bank identifies where it believes agriculture is very intensive and where a potential market exists for the Bank's agriculture finance. 69 agricultural clusters have since been formed as a result of this initiative. To strengthen the agricultural lending of the Bank, Agri Business Centres have been formed. In addition, the Bank has established relationships with various companies and cooperatives in the plantation, poultry, food processing and seed sectors to cater for their project financing and working capital requirements.

The Bank's strategy in agricultural lending is based on a comprehensive view of the agricultural value chain, a focus on diversification and partnerships with other companies in the agricultural sector, micro finance and other rural institutions and non-governmental organisations that have close links to the agricultural sector. The Bank has also devised a separate risk evaluation model for agricultural loans with an objective to measure and mitigate the risk involved in financing this sector.

There has been considerable improvement in the rural infrastructure in select geographies in India in recent years. The Bank's agricultural financing initiatives are largely focused on regions where the need for credit has consequently increased. The Bank intends to develop its agricultural finance business by:

- offering a comprehensive range of products to individual farmers in select geographies covered by an adequate number of rural branches;
- offering suitable credit and other banking products to farmers supplying inputs to large corporations in agri-business (contract farming);
- offering suitable products to various members in the supply chain in the agriculture business (such as warehouses and cold storage units); and
- leveraging upon the Bank's technology platform to distribute the Bank's offerings in rural areas in a convenient and cost effective manner.

Housing Finance

RBI requires banks in India to lend up to 3% of their incremental deposits in the previous fiscal year for housing finance. This can be in the form of home loans to individuals (up to a certain ceiling) or investments in debentures and bonds of the National Housing Bank and housing development institutions recognized by the Government. A portion of housing finance lending qualifies as priority sector lending.

Export Credit

RBI requires banks to lend to exporters, as part of its directed lending requirements, at concessional rates of interest. Pre-shipment and post-shipment export credit requirements applicable to exporter borrowers are provided both in Indian rupees and foreign currencies. RBI requires banks to lend, in the form of export credit, 12 per cent of their net bank credit for each fiscal year-end. This is in addition to the priority sector lending requirement. However, credits extended to exporters that are small-scale industries or small businesses may also meet part of the priority sector lending requirement. RBI provides export refinancing for an eligible portion of total outstanding export loans at the bank rate prevailing from time to time. Banks also earn fees and commissions from these exporter customers, in addition to the interest income earned on export credits, from fee-based products and services provided to them.

Business Current Accounts

The Bank offers a range of current account products based on value as well as industry sectors in order to meet the needs of various customer segments such as SMEs, traders, exporters, large corporations and other institutions. These products offer flexibility to customers to choose from different options with varying minimum average quarterly balance commitments and charge structures. In addition to conventional banking facilities, these accounts offer a multi-city, AT PAR payable cheque-book facility and an "Anywhere Banking" facility across all of the Bank's branches. In addition to the Bank's branches and ATMs, customers can access and conduct transactions in their accounts online through Corporate I-Connect, the Bank's internet banking platform, or can access account information through a tele-banking facility and mobile banking facility. Customers are subject to transaction charges including charges for non-maintenance of minimum balances.

Cash Management Services

The Bank offers Cash Management Services such as collection, payment and remittance services with a focus on improving clients' cash flows. As of the date of this Offering Circular, the Bank has 692 cash management services locations as compared to 517 in the previous financial year. Cash management products include local and remote collections, local and remote payments through customer cheques and bulk demand drafts, electronic clearing services, disbursement of dividend and interest and internet based payment products along with a customised management information system (MIS). The Corporate Accounts Group provides host to host integration i.e IT integration between corporates and the Bank for seamless transactions and information flow. The Corporate Accounts Group provides comprehensive structured MIS reports on a daily or monthly basis or as required by clients for better accounting & reporting. The Bank has over 1,300 branches spread all over India in addition to our arrangement with reputed correspondent banks which ensures faster-realisation of funds. Its dedicated services desk, the CCPH (Centralised Collections and Payment Hub), ensures that the clients' collection and payment activities are executed within minimum transit time thereby reducing interest cost and improving clients' liquidity.

Government Business and Tax Collections

In July 2001, the Bank became the first Indian private sector bank to be authorised by the Government and RBI to collect taxes on behalf of the State of Andhra Pradesh on a pilot basis. In October 2003, the Bank's authorisation was extended, permitting it to offer banking services to various Central Government ministries and departments and other State governments and union territories, including collection of direct and indirect taxes on behalf of the Government and State governments.

Currently, the Bank accepts income and other direct taxes and central excise and service taxes through its authorised branches. The Bank also handles disbursement of civil service and defence pensions through its authorised branches. Additionally, the Bank provides collection and payment services to four Central Government Ministries/Departments and eight state Governments/Union Territories. The Bank also handles the business of stamp duty collection through franking on behalf of four state Governments: Maharashtra, Gujarat, Rajasthan and Goa. The Bank is associated with nine state governments

and other government organisations for the disbursement of government benefits (wages) under the Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) and Social Security Pension (SSP) by way of direct credit to the bank accounts of the beneficiaries under the smart card based IT Enabled Financial Inclusion Model.

E-Governance Initiatives

Central and State governments have undertaken e-Governance initiatives aimed at providing better citizen services by setting up integrated citizen facilitation centers. The Bank is aggressively seeking to participate in e-Governance initiatives. The Bank is presently associated with the e-Governance initiatives of six State and Union Territories, which are Andhra Pradesh (e-Seva), Karnataka (Bangalore One), Chandigarh (Sampark), Chhattisgarh (CHOICE), Uttar Pradesh (e-Suvidha) and Rajasthan (e-Mitra).

Additionally, the Bank also provides e-Payment facilities for payment of Direct and Indirect Taxes through the Internet for its customers, as part of the e-Governance initiatives of Central Board of Direct Taxes and Central Board of Excise & Customs, respectively. The Bank has strengthened its association with e-Governance initiatives of State governments by extending its banking services for the G2B space with e-Procurement Projects of the government of Karnataka, Gujarat, Bihar, Orissa, Chhattisgarh and Punjab.

The Bank also seeks to participate in the e-Governance initiatives of various government departments (such as Railways and Defence establishments) with offerings of single window payment system at which the Bank undertakes payments to suppliers, contractors and other vendors through multiple electronic channels like Electronic Fund Transfers/Non-Electronic Fund Transfers.

The Bank receives fee income on all State government revenues collected at these citizen facilitation centres and also earns income on non-interest bearing deposits made into user department accounts opened by the Bank in connection with these services.

Debt Syndication

The major activities carried out in this area are:

- *assessing client debt profiles and funding requirements;*
- *advising on suitable instruments and structure, including cost reduction measures, pricing and timing of taking the instrument to market; and*
- *placement and syndication in the form of bonds and debentures or loans by way of distribution among various investors and lenders.*

The Bank has developed a strong relationship with other banks, financial institutions, mutual funds and provident funds, among others. The Bank is very active in the domestic debt market. 'Prime Database has ranked Bank as number 1 arranger for private placement of bonds and debentures for the year till 31st December 2008, 2009 and 2010. For the calendar years of 2009 and 2010 and the quarter ended March 2011, Bloomberg ranked the Bank as number one in India Domestic Bonds (Underwriter League Table) in the league table of arrangers. The Bank also received the following awards during 2010: "Best Bond House in India" by Finance Asia, "Best Domestic Debt House in India" by Asiamoney, "Best Debt House — India" by Euromoney Awards for excellence and "Best Domestic Bond House in India" by the Asset Awards.

Investment Banking

The Bank's investment banking segment now comprises equity capital markets business, mergers and acquisitions and private equity syndication. The Bank is a SEBI-registered Category I Merchant Banker and has been fairly active in advising Indian companies in raising equity through initial public offerings, follow-on public offerings, QIPs and rights issues. The Bank has built strong relationships with Indian companies, becoming an effective bridge between such corporates and domestic and international institutional investors.

The advisory services for mergers and acquisitions provided by the Bank focus on domestic and cross-border buy and sell mandates for Indian clients. The private equity business works with the Bank's mid-capital and SME clients and advises them in raising capital from private equity investors.

On 17 November 2010, the Board of Directors approved the acquisition of certain businesses undertaken by Enam Securities Private Limited (**ESPL**) through its wholly-owned subsidiary, Axis Securities and Sales Limited (**ASSL**), by way of a demerger. It is envisaged that these businesses will be transferred to ASSL, pursuant to a scheme of arrangement, as may be approved by the relevant High Courts and subject to receipt of necessary requisite approvals. The appointed date for the purpose of the demerger under the scheme shall be 1 April 2010. The valuation of the ESPL business was assessed at 20,674 million and in consideration for the demerger, the Bank will issue shares in the ratio of 5.7 equity shares of the Bank (aggregating 13,782,600 equity shares) of the face value of 10 each for every 1 equity share (aggregating 2,418,000 equity shares) of 10 each held by the shareholders of ESPL. ESPL is a well known investment banking and securities firm in India. The strategic objective of the acquisition is to create a complete offering of financial products and services for corporate,

institutional and individual clients that will enhance the ability of the combined business to better serve client needs across product categories and geographies.

Corporate and Financial Advisory

The Bank's advisory services have been developed with a focus on infrastructure and other core sector projects. The advisory assignments handled by the Bank cover various sub-sectors such as roads, railways, power, seaports, airports and other green-field and brown-field projects through consultancy for preparation and vetting of business plans, advising on capital structuring, funding options and assisting in financial closure of the projects. The range of advisory services also includes financial restructuring and diagnostic studies for various public and private sector corporations involving re-evaluation of their capital structures to maintain financial competitiveness and enhance operating efficiencies. The Bank also assists clients in executing financial restructuring plans as well as in fund-raising to refinance high-cost capital. The Bank also advises the State governments and their agencies on financing and restructuring arrangements.

Capital Markets Services

The Capital Markets Division of the Bank handles clearing and settlement activities for the following exchanges:

- BSE;
- NSE;
- National Commodity & Derivative Exchange Ltd. (**NCDEX**); and
- Multi Commodity Exchange (**MCX**).

The Bank is a professional clearing member in the futures and options segment of the NSE & BSE and provides the NSE and BSE stockbrokers and NCDEX and MCX commodity exchange member's fund-based and non-fund-based facilities for carrying out their operations.

The Bank is also acting as Trading Clearing Member in NSE and MCX Stock Exchange Ltd.

Depository Participant Services

The Bank acts as a depository participant for the National Securities Depository Limited and Central Depository Services (India) Ltd. The Bank is registered with SEBI to act as a Custodian of Securities and accordingly proposes to offer clearing and settlement services for equity and debt securities transactions undertaken by clients such as mutual funds, insurance companies, corporate and banks.

Retail Banking

The Bank's retail strategy has been implemented through emphasis on network expansion, building product differentiators, customer segmentation, and sales effectiveness and providing quality customer service. In order to reach out to a larger segment of India's population, the Bank has developed a wide network of fully interconnected retail branches, extension counters, ATMs, retail asset centres, an internet banking channel, a call centre and mobile banking. The Bank's branches distribute liability accounts, debit cards, travel cards and remittance cards, and have point-of-sale terminal machines and depository services, and sell third party products such as mutual funds and savings bonds issued by the Government. The Bank's retail asset centres distribute retail credit products such as home loans, personal loans, vehicle loans and educational loans. The Bank is focused on providing each customer with its choice of channel for transactions and products to meet its financial needs and quality service.

Retail Deposits

The Bank's retail deposit products include the following:

Term Deposits. Tenure based deposits of a fixed amount over a fixed term that accrue interest at a fixed rate and may be withdrawn before maturity in accordance with applicable rates.

Recurring Deposits. Tenure based periodic deposits of a fixed amount over a fixed term that accrue interest at a fixed rate and may be withdrawn before maturity in accordance with applicable rates by paying penalties.

Savings Bank Accounts. Demand deposits for retail customers that accrue interest at a fixed rate set by the RBI (currently 4.0 per cent. per annum on a daily product basis) and offer withdrawal facility through cheque books and debit cards.

In addition to the Bank's conventional deposit products, it offers a variety of special value-added products and services thereby increasing product offerings and providing greater convenience for customers.

Adopting a customer-centric segmentation strategy, the Bank offers differentiated liability products to various categories of customers depending on one or more factors such as age group, gender, income and occupation. While Priority Banking services group caters to high net worth individuals, the Savings Bank Easy Account provides a low frills product. The Bank has also launched savings bank products for senior citizens, trusts and non-government organisations (NGOs). The Bank's payroll account scheme, or "Salary Power", offers customised products for the employees of defence services, corporations, Government and other public sector entities.

Savings Bank Account for Trusts and NGOs

The Bank has also launched a Savings Bank product for the Trusts, Societies, and NGO segment. The product provides banking solutions by leveraging the “Anywhere Banking” platform of the Bank, the AT PAR Chequebook facility (which has no upper limit) and other value-added services.

Payroll Account Scheme

To offer complete banking solutions to salaried employees, the Bank has introduced a comprehensive payroll product consisting of differential privileges and offered on the basis of the net monthly salary of an employee. It allows the employer to manage salaries across various centres, with the employee benefiting from banking facilities including retail loans, a debit card, overdrafts, and privileges including concessional average balance requirements.

Encash 24 Account

The Bank’s Encash 24 account is a savings account linked to a time deposit product that offers the customer the liquidity of a savings account as well as higher returns of a time deposit. This product provides weekly automatic transfer of idle balances above a certain minimum amount from savings accounts to time deposits, resulting in higher yields for the customer. Whenever there is a shortfall in the customer’s savings account, deposits are automatically transferred from the time deposit account to meet the shortfall.

Priority Banking

The ‘Priority’ initiative targets the mass affluent customer segment and is structured to cater to their entire relationship with the Bank with specific focus on banking and investment needs. Priority offers personalised services, convenience, preferential pricing across various banking products and flexible eligibility criteria. This is offered through a relationship team, a premium ‘Priority Platinum International Debit Card’ with unlimited and free usage at any Visa ATM and other discounts and offers along with complimentary airport lounge access and home banking facilities. The service also includes investment advice across products such as savings banks, fixed deposits, bonds and mutual funds based on the customer’s risk appetite. Customers also benefit from lifestyle privileges such as invitations to art exhibitions, musical evenings and shows.

Mutual Fund Sales

The Bank is one of the leading distributors of mutual funds in India. The Bank distributes mutual fund products of all major asset management companies in India to its clients. The Bank suggests suitable schemes to its clients based on the recommendations of its own in-house research team. These products are sold through the Bank’s branch distribution network based on client requirements. The Bank earns fee income in the form of up-front retention remuneration on the sale of Mutual Funds and professional fees on sale of mutual fund products.

General Insurance and Life Insurance

The Bank offers general insurance through the Bank’s branch distribution network to its customers. The Bank is a corporate agent of Bajaj Allianz General Insurance Company (Bajaj Allianz) and distributes products underwritten by Bajaj Allianz. Apart from standard products, such as motor or fire insurance products, the Bank also sells products such as health, personal accident, jewellery and home insurance products. The Bank also sells exclusive co-branded products and products that are bundled with the Bank’s asset products. All of these products are sold through the Bank’s branch network.

In April 2010, the Bank entered into a bancassurance tie-up with Max New York Life, for sales of life insurance products through its branches. The new tie-up also marked the termination of the referral tie-up with MetLife which ran successfully for three years. The partnership with Max New York Life is a corporate agency model under which the Bank’s staff is licensed and responsible for selling the life insurance products.

Retail Lending Activities

The growth of retail and consumer lending in India is a consequence of growing affluence and changing consumer behavior. This growth is evidenced by the utilization of credit for consumer asset acquisition. The Bank has identified this activity as one of its core growth areas. The Bank’s focused marketing approach, product innovation, risk management systems and competent back-office processes contribute to the strength of the Bank’s retail lending strategy. The target market identified for retail loans is salaried, self-employed professionals and other self-employed individuals.

The Bank offers a variety of retail credit products such as home mortgage loans, automobile loans, commercial vehicle loans, two wheeler loans, personal loans, consumer loans, education loans, loans against time deposits and loans against shares. The major components of the Bank’s retail asset portfolio are home and mortgage finance, personal loans and automobile finance.

These loans are provided by the Bank directly through retail asset centers in metropolitan areas and other cities of India and also through branches in cities where the Bank does not have a retail asset centre. The retail asset centers serve as the focal point for marketing, distribution and servicing of retail loan products.

Home Loans

The Bank’s home and mortgage finance business involves extending long-term secured housing and commercial property loans to individuals, both for acquisition purposes as well as for liquidity. Currently, these loans are being offered to individuals for the purchase, construction and extension of residential and commercial premises.

Personal Loans

Personal loans are unsecured loans provided to customers for various purposes such as medical expenses, social and lifestyle obligations, and are generally repayable over four years.

Automobile Finance

Automobile finance, which includes financing two wheelers, four wheelers and commercial vehicles, involves providing consumer credit for an average period of three to five years to acquire a new or used vehicle. Automobile loans are secured by a lien on the purchased asset. The Bank has developed relationships with several established non-banking finance companies in India, providing both direct automobile finance (to individual borrowers) as well as indirect automobile finance (portfolio buy-outs).

Card Power

Card Power is a credit product for financing credit/debit card receivables of merchant establishments (ME) who subscribe to the electronic data capturing (EDC) machines of the Bank. Card Power funds the regular working capital and operating requirements of the ME, as well as seasonal purchases and capital expenditure for equipment, new premises and refurbishment.

Credit Evaluation: Retail Loans

For retail loans to individuals for the purchase of automobiles, two wheelers and commercial vehicles, personal loans, mortgage loans and margin loans against securities, all prospective borrowers are granted loans only if they pass the credit evaluation process. The Bank has devised a credit-scoring sheet for all types of loans. For a loan to be approved, a minimum cut-off score has to be achieved by a borrower. This credit rating mechanism is periodically updated and reviewed.

Other Products and Services

Debit Cards

The Bank is the third largest issuer of debit cards in India and offers international debit cards to its customers in association with VISA and MasterCard. These debit cards provide customers with 24-hour access to their funds through the Bank's ATMs as well as any VISA or MasterCard enabled ATMs and merchant establishments across the world. The Bank has 10 debit card variants catering to different customer segments: Gold Debit Card, Business Gold Debit Card, Priority Debit Card, VISA International Debit Card, MasterCard Debit Card, NRI Domestic Debit Card, NRI International Debit Card, Smart Privilege Debit Card, Power Salute Debit Card and Renewal Debit Card. The debit card products have innovative features such as unlimited "off-us" ATM transactions, personal accidental insurance cover, reward points, global helpdesk, higher Points of Sale / ATM limits.

Travel Currency Cards

The Bank now offers eight currency variants on the Travel Currency Card Product: U.S. Dollar, Euro, Pound Sterling, Australian Dollar, Canadian Dollar, Swedish Kroner, Swiss Francs and Singapore Dollars. The U.S. Dollar Travel Currency Card is also available on the Master Card platform. The card can be offered at any VISA ATM and at merchant establishments globally. The card offers a safe and cost effective alternative to carrying cash and travelers cheques.

Other Cards

Meal Card, Gift Card, Remittance Cards, Annuity Card — Co-branded program with Life Insurance Corporation of India, Credit Cards

Card Acceptance Business:

The Bank offers card acceptance services to merchant establishments in India. Both VISA and Master Card are accepted at these terminals. The Bank earns a negotiated merchant service fee from the volumes transacted at these point-of-sale terminals and also benefits from the float in the merchant current accounts.

Retail Banking — Fee Income

Fee income is generated from ATM interchange transactions, cards, safe deposit lockers, service charges on deposit transactions, processing fees from retail loans as well as fees earned from third-party product sales.

Non-Resident Products and Services

The Bank offers a wide range of banking, investment and advisory services to the NRI community under the umbrella brand "NRI Services". Major products offered to NRIs are foreign currency non-resident deposits, non-resident external fixed deposits, non-resident ordinary deposits, non-resident external savings account, NRI savings variants, RFC accounts for returning Indians and various investment products such as gold, life insurance, mutual funds as permitted by the regulator.

Portfolio Investment Scheme

The Bank is authorised by RBI to maintain accounts under the Portfolio Investment Scheme with 49 of its branches and to issue approvals to NRIs requiring delivery based trading in shares and convertible debentures

on Indian stock exchanges. The Bank provides these services, which include facilitating payment and receipt of funds for investment transactions, monitoring regulatory ceilings and computation and payment of taxes on capital gains.

Retail Remittances

The Bank provides multiple inward remittance solutions to its customers based on their profile and location. The Bank provides online money transfer services through its AxisRemit Online platform. Through this platform, customers can send money from the United States of America, United Kingdom, Canada, Australia, Europe, Singapore, Hong Kong and United Arab Emirates into any account of the Bank in India. AxisRemit Online provides customers in the United States with a facility to transfer money through Automated Clearing House transfers, and customers in other countries a facility to transfer money from their online banking accounts. The platform is designed to make the remittance process simple and convenient through faster turnaround times, tracking of transactions and transparent pricing.

The Bank also provides the service of cross-border remittance to beneficiaries in India by partnering with correspondent banks and exchange houses in overseas locations through its AxisRemit Direct platform. This platform facilitates straight-through remittance payments processing to any bank account in India. Currently, the Bank has links with 11 exchange houses and four correspondent banks in Gulf Cooperation Council countries. In addition to the above, the Bank offers its customers the facility to send SWIFT enabled remittances from their overseas bank accounts to their accounts with the Bank. The Bank has over 20 Nostro accounts with overseas correspondent banks in order to facilitate this service.

Tax Advisory Services

The Bank has retained the services of a firm of chartered accountants with expertise in NRI taxation to provide tax advisory services to the Bank's NRI customers.

Delivery Channels

The Bank distributes its products and services through various access points ranging from traditional bank branches to ATMs, call centers, telephone and the internet. Investment in alternative distribution channels is part of the Bank's effort to migrate customers to lower cost electronic delivery channels. The Bank's channel migration effort is aimed at reducing costs while enhancing customer satisfaction levels by providing customers access to their accounts at all times.

Branch Network

As at 31 March 2011, the Bank had a network of 1,382 branches, 200 service branches/central processing centres eight extension counters and 6,270 ATMs covering 921 locations. An extension counter is a service outlet, linked to a branch. It is ordinarily situated within the vicinity of institutions such as schools, colleges and hospitals, offering banking services. Before setting up a branch, the Bank undertakes a detailed study of the demographic factors of an area to assess its business potential. Branch premises are generally leased. Back-office operations are centralised at a central processing unit in Mumbai, allowing the Bank's branch network to focus on business acquisition and expanding customer relationships.

As part of its branch licensing conditions, RBI has stipulated that at least 25 per cent of the Bank's branches must be located in semi-urban or rural areas. A semi-urban area is defined as a centre with a population of more than 10,000 but less than 100,000. A rural area is defined as a centre with a population of less than 10,000.

Overseas Operations

India's growing integration with the global economy has given rise to opportunities to leverage the Bank's strengths in overseas markets. In order to participate in the growing trade and investment flows between India and other major financial centres of Asia, the Bank has established branches at Singapore, Hong Kong, DIFC and representative offices at Shanghai, Dubai and Abu Dhabi. The total assets at the Bank's overseas branches amounted to U.S.\$4.99 billion, which constituted 9.17 per cent of the Bank's total assets as at 31 March 2011.

In order to tap into business opportunities in the European countries, the Bank has established a subsidiary in the United Kingdom called Axis U.K. Limited with the main purpose of filing an application with the Financial Services Authority (FSA) for a banking licence in the United Kingdom and for the creation of the necessary infrastructure for the subsidiary to commence banking business.

Bank has recently launched its Sri Lankan operations with the inauguration of the Colombo branch on October 21, 2011.

ATMs

The Bank has the largest ATM network among private sector banks and has the second largest network in the country with 6,270 ATMs installed as on 31 March 2011. The Bank pioneered the concept of total ATM deployment by independent ATM deployers in the country with a total deployment of approximately 2,000 ATMs in fiscal year 2011. Also, to optimise the performance of its existing network, the Bank has outsourced the maintenance and management of the bank-owned ATMs to managed service providers.

The Bank has deployed these ATMs across the country, with around 75 per cent. of the ATMs located in offsite locations in and around commercial areas, markets, residential and corporate locations, railway and metro stations, airports, petrol pumps, etc. Almost all major cards are accepted at the Bank's ATMs. In view of the diversity of regional languages used in various parts of India, the Bank's ATMs offer multilingual screens in 13 languages. In addition to normal ATM services, the Bank offers various other value-added services through its ATMs, such as mobile recharging, bill payments, insurance payments and mutual fund investment.

Internet Banking Services

The Bank offers internet banking services to its customers through its website. A complete range of online services are offered to customers, including online, real-time access to their accounts, information on fixed deposits, online fund transfer to accounts of the Bank as well as other banks, bill payments to over 140 merchants, credit card bill payment and placement of requests for demand drafts and cheque books. In addition, the Bank offers an online direct debit facility to the customers for purchase of products and services through a host of web-merchants in the e-commerce space.

Mobile Phone Banking

The mobile banking channel has fast emerged as an extremely convenient option for the Bank's customers for information on their accounts, transferring funds and payments. Short Message Service (**SMS**) banking, and SMS-based transaction alert system, has provided an additional level of security to the Bank's customers as any activity in the account above a threshold limit is SMSed to customers. In addition, customers can request their balance or details of the last three transactions through their registered mobile phones via SMS. The Bank has also enabled transactional banking through mobile phones through 'Axis Mobile'. Customers can now use their account with the Bank to make bill payments, transfer funds, recharge their prepaid mobile phones, log requests for cheque books, stop cheques and change PINs. Customers can make payments to merchants by using their mobile phones. Further, the Bank has been amongst the pioneers in launching remittance services like InterBank Mobile Payment Service (IMPS) and Instant Money Transfer (IMT) which enable customers to transfer funds on a real time basis using a mobile phone.

SMS banking has become the second most used alternative delivery channel of the Bank.

Online Bill Payment

The Bank has also entered into arrangements with several telecommunication companies, utility providers, an insurance company and internet shopping portals for online payment of bills by its internet banking customers. The Bank generates revenue from these services either by a fee per transaction or a variable fee based on the ticket size of the transaction.

Sales Channel

The Bank employs a frontline sales force for its liability products. The sales force, which sells a basket of liability products, currently contributes approximately 74.0 per cent. of total deposits from new acquisitions and approximately 81.0 per cent. of the total number of account acquisitions of the Bank and is a critical resource in the Bank's aggressive customer acquisition strategy. This sales force comprises 4,563 employees as at 31 March 2011 and operates on a performance-based remuneration package. Members of the sales channel are based at all branches and extension counters and their performance are monitored at both the circle level as well as the Bank's corporate office levels.

Treasury

The Treasury Department manages the funding position of the Bank and also manages and maintains its regulatory reserve requirements. As part of liquidity management, the department invests in sovereign and corporate debt instruments, commercial paper, mutual funds and floating rate instruments. The department also undertakes proprietary trading in equity, fixed income securities, foreign exchange, currency futures and options. Apart from proprietary trading, the department also offers a wide range of treasury products and services to corporate customers, including derivative instruments such as forward contracts, interest rate swaps, currency swaps and foreign currency options.

Funding and Balance Sheet Management

The Treasury department manages short-term liquidity through short-term borrowings such as overnight inter-bank borrowings, collateralised borrowing and lending obligations (CBLO), Repo, rediscounting bills and through other money market operations. The Bank raises foreign currency borrowings from local banks and foreign counterparties. The Bank also raises retail foreign currency deposits from NRIs at rates regulated by RBI.

In the Treasury department, the fund management desk conducts market operations by borrowing and lending in the domestic call money market, CBLO and through repurchase transactions with RBI and other approved banks and institutions. The Treasury department ensures day-to-day funding for branch operations and asset build-up. Since these CRR balances earn no interest from RBI, the funding desk also ensures that only optimal CRR

balances are maintained and that additional surpluses are deployed in the form of short-term investments in commercial paper, CDs or debt schemes of mutual funds.

The Treasury department measures and monitors the spreads of the Bank. Yields on assets and cost of funds are monitored on an ongoing basis. Maturity profiles of new deposits are adjusted to ensure that the Bank reaches its targeted spreads and that its liquidity profile remains comfortable.

The funding desk considers suitable hedging options for items on the balance sheet at appropriate times to protect or increase the Bank's spreads.

Foreign Exchange and Derivatives

The trading desk deals in several major currencies and manages the Bank's exposure through foreign exchange and money market instruments within the guidelines and limits stipulated by RBI and management. Appropriate internal limits for counterparty and currency exposure are in place. The Bank is a market maker in the spot and forward exchange markets.

The Bank offers both off-the-shelf and specifically structured products to its customers to meet funding and risk management requirements in foreign currencies.

The Bank offers forward contracts to customers to hedge against exchange risk on foreign currency receivables and payables, usually up to one year. The Bank also offers interest rate and currency swaps to certain customers to hedge their medium and long-term risk, up to ten years. Commission and exchange income is earned from such transactions.

International Correspondent Banking and Trade Facilitation

The GFID under the Treasury Department consists of the following two sub-groups:

- Financial Institutions (FI) Relations; and
- Global Trade and Risk.

FI Relations undertakes the responsibility of establishing new FI relationships in countries around the world. Regular visits are made by relationship managers to various countries in order to maintain and explore new relationships.

Global Trade and Risk is entrusted with the dual responsibility of managing allocation of exposure for counterparty banks and raising of foreign currency resources and is responsible for 163 managing the Bank's correspondent banking relationships and developing products for revenue generation. At present, the Bank, including its overseas offices, has nostro accounts in 14 different currencies. In addition, the Bank has active trade relationships with a number of major banks in different locations globally.

GFID has been instrumental in facilitating the trade flows of customers through its correspondent banks. The Bank arranges international guarantees and confirmation of letters of credit (LCs) at competitive prices. Buyers' credit and LC financing is also available to meet the funding requirements of customers. GFID operations seek to increase reciprocal revenue generation from the Bank's correspondents by way of rebate and miscellaneous fee income, such as export LC advice, confirmations and issuing domestic guarantees against counter guarantees of foreign banks.

With the operations of the Bank's overseas branches in Singapore, Hong Kong, Dubai and Colombo, the Bank has generated additional revenue by way of re-issuance, risk participations and reimbursements and other correspondent banking fees. GFID intends to expand the scope of trade operations through the Bank's overseas branches by projecting these branches as correspondent banks to Indian and international banks which do not have presence in Singapore, Hong Kong, Colombo or Dubai.

Corporate Banking Operations

The Corporate Banking Operations (CBO) Department within the Bank is responsible for monitoring the accounts of Large/Mid-corporates and SME customers while ensuring compliance with regulatory guidelines and the systems and procedures of the Bank in the conduct of credit operations.

The CBO Department controls the credit operations of the Bank through its eight Credit Management Centres (CMCs) located at Chennai, Kolkata, Pune, New Delhi, Bangalore, Ahmedabad, Hyderabad and Mumbai and 46 Mini Credit Management Centres (MCMCs) at other towns. These credit management centres have a standardised skill pool to efficiently monitor and control advances under the Large Corporates, Mid Corporates, SMEs and Micro Finance Institution Business Segments. Facilitation centres have been set up at select branches where CMCs have been set up to provide prompt customer service in co-ordination with the CMCs. Other branches located at these CMCs have been mapped to their closest facilitation centres for all their credit, domestic trade finance and related operations.

In respect of other branches, when the level of advances exceed a certain threshold, specially trained and experienced employees are posted to the branch to provide direct supervision. Otherwise, the disbursement and control of credit operations is achieved through remote management systems operated from the CMCs, which supervise the disbursements and financial transactions.

The Ministry of Textiles has appointed the Bank as a “Nodal Bank” for granting eligibility approvals under the Technology Upgradation Fund Scheme (TUFs) with effect from 1 April 2009. TUFs is a Government programme intended to provide incentives for the modernisation of the Indian textiles industry through subsidised lending. A TUFs Cell has been set up within the Corporate Banking Operations Department to handle the eligibility process and subsidy claims under the scheme. The cell also handles other subsidy schemes such as subsidies granted by the Ministry of Food Processing Industry.

Phone Banking Centre

The Bank has an outbound phone banking centre manned by trained personnel which caters to all customers.

Central Processing Unit

As part of the Bank’s initiative to leverage technology, redefine business processes and deliver quality products to its customers with efficiency and cost effectiveness, the Bank set up a central processing unit in Mumbai in December 2001. The central processing unit opens all liability accounts for the branches, produces welcome kits, delivers cheque books, debit cards, term deposit receipts and statements of account. Concurrent auditors verify whether the accounts are being opened after compliance with the Bank’s “Know Your Customer” procedures and turn around time is strictly monitored.

Data Centre and Disaster Recovery System

While the Bank’s primary data centre is located in Mumbai, it has a separate disaster recovery data centre in Bangalore, which is connected to the main data centre. The disaster recovery data centre has facilities to host critical banking applications in the event of a disaster at the primary site.

Trade & Foreign Exchange Operations

The Bank has separated its foreign exchange business and foreign exchange operations to reduce operational risk, to enforce strict compliance with regulatory and internal guidelines and to provide better customer service. The foreign exchange business team handles sales of foreign exchange products and sources foreign exchange business for the Bank, and the foreign exchange operations team handles processing of the foreign exchange transactions.

The Bank’s foreign exchange operations have been centralized at trade finance centres (**Trade Finance Centres**) in Mumbai and Hyderabad. The operations are mainly located in Mumbai, with Hyderabad supporting operations for redundancy and business continuation purposes. Other branches scan foreign exchange documents and forward them to the Trade Finance Centres for onward compliance check, processing and passing of accounting entries. The Trade Finance Centres are state of the art facilities that process foreign exchange transactions for the Bank’s Indian operations and Hong Kong branch.

The Trade and Forex Operations Unit has been created to supervise and control the Bank’s foreign exchange operations, which are carried out at the Trade Finance Centres and in B-Category foreign exchange branches. The Trade and Forex Operations Unit is designed to increase the number of branches where foreign exchange services are offered by streamlining the process by which documents are handled from the branches to the Trade Finance Centres.

Operational Controls and Procedures in Branches

An operational framework has been established to ensure that these transactions are handled with precision, regularity and efficiency in a risk mitigating manner. Operational instruction manuals at the branches detail procedures for processing various banking transactions. Amendments to these manuals are implemented through circulars sent to all branches.

The Bank places importance on computer security and has adopted an information security policy. Most of the Bank’s information technology assets, including critical servers are hosted in a centralised data centre, which are subject to appropriate physical and logical access controls. The core banking software used by the Bank is based on the “maker and checker” concept, whereby no transaction can be initiated and authorised by a single individual. The powers to authorise transactions are exercised by officials in accordance with a scheme of delegation of powers and the monetary limits are incorporated as authorisation levels in the software, which validates each payment.

Operational Controls and Procedures for Internet Banking

Internet banking services are provided only in respect of existing customer accounts for which the necessary identity documentation has been obtained prior to providing the customer with a user identity and password to access his account online. The Bank has in place a two-factor authentication system for interbanking transactions called “NetSecure”.

Operational Controls and Procedures in Regional and Central Processing Centres

The Bank has centralised transaction processing on a nationwide basis for transactions such as the issue of ATM cards and personal identification number mailers, reconciliation of ATM transactions, mailing of passwords to internet banking customers, depositing postdated cheques received from retail loan customers and processing of credit/debit card transactions routed through the Bank’s channels. Centralised processing has also been extended for opening new bank accounts, issuing personalised cheque books and generating customer

statements. At select centres, the handling of clearing operations and the management of ATMs have also been centralised for better control.

Anti-Money Laundering Controls

Pursuant to the Prevention of Money Laundering Act 2002, the Bank has implemented a policy on anti-money laundering controls. The policy has been approved by the Board of Directors and is being followed by each of the Bank's branches. The Bank's "Know Your Customer" policy, which consists of customer identification procedures and customer acceptance policies, forms the basis of the Bank's anti-money laundering controls. Activities in accounts are also monitored by branches by using a system-wide list of suspicious activities. In addition, transactions crossing a threshold amount of Rs.1 million are monitored by off-site surveillance with the help of reports generated by the Bank's data centre. A senior Bank official oversees the anti-money laundering activities and ensures compliance with the Bank's policy.

Internal Audit Department

The Internal Audit department undertakes a comprehensive audit of all branches under a Risk Based Internal Audit model approved by the Audit Committee of Board of Directors (the **ACB**). The model is reviewed periodically to capture the changing dynamics of the business. The Risk Based Internal Audit Plan is drawn up on the basis of risk profiling of the Bank's branches. The Audit Plan is approved by the ACB.

Information System Audit policies are approved by the ACB and have been introduced covering physical, environmental and administrative controls, logical controls in application software, system administration, network security and protection from external threats and special projects.

RBI requires banks to have a process of concurrent audits at branches handling large volumes to cover a minimum of 50 per cent. of business volumes. The Bank has a process of concurrent audits engaging the services of external accounting firms of repute. Concurrent audits are also carried out at the central processing unit (for opening of liability accounts), at treasury operations (for sovereign and corporate debt investments and Foreign Exchange operations), at retail asset centres and at the centralised collection and payment hub and of depository participant business. This has been undertaken to ensure the existence of and adherence to internal controls.

The Internal Audit department conducts inspection of the Business and Revenue (income earning and expenditure incurring) departments at the Bank's central office once every two years, except in the case of treasury and capital market departments, which will be audited annually from current financial year onwards in accordance with policy approved by the ACB. The non-business and non-revenue departments and zonal offices are subjected to a management audit once every two years in accordance with policy approved by the ACB.

The Internal Audit department has complied with 'Quality Management System' (QMS), and its internal processes have been certified to be ISO 9001:2000 compliant by international certifying agency Det Norske Veritas AS, Netherlands.

Competition

The Bank faces strong competition in all of its principal lines of business. The Bank's primary competitors are large public sector banks, other private sector banks, foreign banks and, in some product areas, development financial institutions.

iv. A BRIEF HISTORY OF THE ISSUER SINCE ITS INCORPORATION GIVING DETAILS OF ITS ACTIVITIES INCLUDING ANY REORGANIZATION, RECONSTRUCTION OR AMALGAMATION, CHANGES IN ITS CAPITAL STRUCTURE, (AUTHORIZED, ISSUED AND SUBSCRIBED) AND BORROWINGS, IF ANY.

The Bank began its operations on 2nd April 1994 as one of the first private sector banks established under guidelines issued in 1993 by RBI in line with the Government's policy to reform India's financial sector. The Bank's entire initial equity capital of Rs.1 billion was contributed by UTI-I (previously Unit Trust of India). Subsequently, LIC contributed Rs.75 million and GIC, together with four Government-owned general insurance companies, contributed Rs.75 million.

The Bank's equity capital was subsequently increased from Rs.1.15 billion to Rs.1.32 billion through an Initial Public Offering in September 1998. The Bank issued 15 million equity shares and UTI-I made a simultaneous Offer for Sale of 20 million equity shares. The Bank's equity shares are listed on the NSE, the BSE and the ASE. In March 2005, the Bank issued 43.49 million Global Depository Receipts (**GDRs**) to overseas investors and raised Rs.11.22 billion (including its Green Shoe option). Each GDR represents one equity share of the Bank and was issued at a price of U.S. \$5.91. The GDRs are listed on the London Stock Exchange. RBI issued guidelines on January 25, 2006 and July 21, 2006 on raising capital by banks in India *inter alia* through Innovative Perpetual Debt Instruments for inclusion as Tier 1 capital and Debt Capital Instruments qualifying for Upper Tier II capital. The Bank raised Hybrid Tier I capital amounting to U.S. \$46 million in foreign currency and Rs.2,140 million in domestic currency in the fiscal year 2007. In fiscal year 2007, the Bank also raised Upper Tier II capital amounting to U.S. \$ 150 million in foreign currency and Rs.3,075 million in domestic currency.

In July 2007, the Bank raised Tier I Capital in the form of equity capital through simultaneous offerings in the form of a follow-on GDR issue, a Qualified Institutional Placement (**QIP**) and a preferential allotment of equity shares to the promoters of the Bank. The Bank raised U.S.\$ 218.06 million through the allotment of 14.13 million GDRs, each representing one equity share of the Bank at a price of U.S.\$ 15.43 per share. The Bank also raised Rs.17,524 million by issuing 28.26 million equity shares under QIP and Rs.19,031 million by issuing 30.70 million equity shares under preferential allotment of equity shares to promoter entities. As a result, the Bank raised an aggregate equity capital of Rs.45,343 million under GDR / QIP and the preferential offer. In addition, the Bank has also raised Rs.2,431 million (equivalent to U.S. \$ 60 million) as Upper Tier II Capital.

In September 2009, the Bank raised Tier I capital in the form of equity capital through simultaneous offerings in the form of a follow-on Global Depository Receipt (GDR) issue, a Qualified Institutional Placement (QIP) and a preferential allotment of equity shares to the promoters of the Bank. The Bank mobilised an aggregate of Rs.3,816.14 crores through the three-way offering, of which the Bank raised US Dollars 95.56 million (equivalent to Rs.459.43 crores) through allotment of 5,055,500 GDRs each representing one equity share of the Bank at a price of US Dollars 18.90 per GDR. The Bank also raised Rs.2,996.15 crores by issuing 33,044,500 equity shares through a QIP offering, which was priced along with the GDR at Rs.906.70 per share (equivalent to the price offered under the GDR offering). In order to maintain the percentage shareholding of the Bank's promoters at the pre-GDR/QIP offering levels, Life Insurance Corporation of India and New India Assurance Company Ltd. participated in a preferential offer by subscribing to 3,976,632 equity shares aggregating Rs.360.56 crores. The equity shares offered under the preferential allotment were also priced at Rs.906.70 per share (equivalent to price at which both GDR and QIP was offered).

The Bank obtained its certificate of incorporation on December 3, 1993 and its certificate of commencement of business on December 14, 1993. Its first branch was opened at Ahmedabad in April 1994. The Bank was renamed as "Axis Bank Limited" and the certificate of incorporation consequent to the name change was obtained on July 30, 2007.

Strengths

The key features of the Bank's growth have been:

- Sustained growth in net interest and fee income, reflecting the stable nature of the Bank's core earning streams;
- Sustained push in retail banking through a widespread distribution network and through the growth of the Bank's product and customer base;
- Continued focus on improvement in asset quality through disciplined credit risk management;
- Advanced use of technology for delivery of products and services with uniform speed and quality across branches;
- Enhanced cost efficiency by leveraging technology that is continuously upgraded; and
- Attraction and retention of skilled human resources.

Strategy

The key elements of the Bank's business strategy going forward are to:

➤ **Increase the Bank's market-share in India's expanding financial services industry through a continued focus on the retail financial services sector.**

The Bank aims to achieve this by providing banking convenience to customers and by offering differentiated products to meet the specific needs of disparate customer segments. The Bank is sensitive to such product differentiation and the Bank's management believes that such customer-specific orientation will strengthen its future profitability.

➤ **Improve profitability through emphasis on core income streams such as net interest income and fee-based income.**

The Bank intends to achieve this by expanding its distribution network and alternate delivery channels such as internet banking aimed at the acquisition of low and/or non-interest bearing savings bank and current account deposits.

➤ **Sustain its focus on improvements in loan and investment portfolio quality.**

The Bank aims to achieve this through rigorous credit and risk appraisal, sound treasury management, product diversification and strong internal controls.

➤ **Continuously upgrade the Bank's information technology systems.**

The Bank aims to maintain a scalable computing infrastructure backed by a robust network architecture, which delivers service across multiple channels for customer convenience and cost reduction through operational efficiency. In order to retain a competitive edge, the Bank's information technology department ensures that the Bank's technology is continuously upgraded.

➤ **Engage in new initiatives such as wealth management.**

The Bank intends to increase its range of services so as to enable the Bank to advise and cross-sell third party products to high net worth customers.

➤ **Increased lending to SMEs and agricultural clients.**

The Bank intends to achieve this through a network of rural and semi-urban branches supported by organizational reinforcement in the form of SME cells and agriculture clusters.

➤ **Strengthening of the international remittance business.**

The Bank aims to achieve this through tapping the high-volume remittance business in the Persian Gulf by utilising its current strategic alliances with various banks and exchange houses in that region. The Bank intends to forge many more alliances of this nature in other geographic regions so as to enable the Bank to become a significant player in this business.

➤ **International presence.**

With the global integration of the Indian economy and the consequent two way flow of funds and services, the Bank has identified international banking as a key opportunity to expand the skills and strengths built in its domestic operations by establishing presences at strategic international financial hubs in Asia. The first overseas branch of the Bank opened in Singapore in April 2006. Subsequently, a branch in Hong Kong and a representative office in Shanghai also commenced operation during the year 2006-07. In addition, the Bank has also set up a branch in the DIFC-Dubai and a representative office in Dubai, United Arab Emirates (UAE). Bank has recently launched its Sri Lankan operations with the inauguration of the Colombo branch on October 21, 2011. The Bank's presence in these locations, through which the bulk of the business in Asia gets routed, enables the Bank to provide a wide range of financial services and provides the opportunities to tap into the international investment banking markets.

xiii. UNDERTAKING TO USE A COMMON FORM OF TRANSFER

The transfer of Debentures in dematerialized form would be in accordance with the rules/procedures as prescribed by NSDL / CDSL / Depository Participant.

“The NCDs issued under this Issue would only be in dematerialized form. No request for issue of physical certificates in lieu of the dematerialized NCD can be accepted.

Pursuant to listing of NCDs on Stock Exchanges, trading in the NCDs will only be allowed in the compulsory demat segment. Since the market lot will be one NCD and are being issued only in dematerialized form, no odd lots will arise either at the time of issuance or at the time of transfer of the NCDs. However, the Issuer undertakes to stipulate a common transfer form for physical holdings, if at any time NCDs in physical form come into existence due to exercise of a rematerialisation option provided by the Depository to any Investor.”

The Bank has appointed IDBI Trusteeship Private Limited to act as Trustees for the Debentureholders ("Trustees"). The Bank and the Trustees will enter into a Trustee Agreement, inter alia, specifying the powers, authorities and obligations of the Trustees and the Bank. The Debentureholder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Trustees or any of their agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the Debentures as the Trustees

may in their absolute discretion deem necessary or require to be done in the interest of the Debentureholder(s). Any payment made by the Bank to the Trustees on behalf of the Debentureholder(s) shall discharge the Bank *pro-tanto* to the Debentureholder(s). The Trustees will protect the interest of the Debentureholders in the event of default by the Bank in regard to timely payment of interest and they will take necessary action at the cost of the Bank.

REDEMPTION OF DEBENTURES

The Tier II Unsecured Debentures will be redeemed at par on the date of Redemption. In terms of RBI master circular no. DBOD.No.BP.BC.11/21.06.001/2010-11 dated July 1, 2011; these Debentures are free of restrictive clauses and are not redeemable at the initiative of the holder or without the consent of the Reserve Bank of India.

Payment on redemption will be made by RTGS/NEFT or any other electronic mode or in absence of electronic mode then by cheque(s)/ Demand Drafts in the name of the debenture-holder whose name appears on the List of Beneficial owners given by Depository to the Bank as on the Record Date. On the Bank dispatching the redemption amount to such Beneficiary(ies) by registered post/speed post/courier/hand delivery/electronic means, the liability of the Bank shall stand extinguished.

The Debentures shall be taken as discharged on dispatch of redemption warrants by the Bank on maturity to the list of Beneficial Owners as provided by NSDL/ CDSL/ Depository Participant. The Bank will inform NSDL/ CDSL/ Depository Participant about the redemption and the necessary corporate action would be taken.

The Bank's liability to the Debenture holders towards all their rights including for payment or otherwise shall cease and stand extinguished from the due date of redemption in all events. Further the Bank will not be liable to pay any interest or compensation from the date of redemption.

RIGHTS OF DEBENTUREHOLDERS

- (1) The Debenture shall not, except as provided in the Companies Act, 1956 confer upon the holders thereof any rights or privileges available to the members of the Bank including the right to receive Notices or Annual Reports of, or to attend and/or vote, at the General Meeting of the Bank. However, if any resolution affecting the rights attached to the Debentures is to be placed before the shareholders, the said resolution will first be placed before the concerned registered Debenture holders for their consideration. 3. Insurance Companies;
4. Primary/ State/ District/ Central Co-operative Banks which are duly authorised to invest in Debentures;
5. Provident, Gratuity, Pension and Superannuation Funds;
6. Regional Rural Banks;
7. Mutual Funds;
8. Companies, Bodies Corporate authorised to invest in debentures & bonds;
9. Trusts, Association of Persons, Societies registered under the applicable laws in India, which are duly authorised to invest in Debentures.

ALL THE APPLICANTS SHOULD CHECK ABOUT THEIR ELIGIBILITY OF INVESTMENT IN THESE DEBENTURES IN TERM OF THEIR RESPECTIVE STATUTE / REGULATIONS / GUIDELINES GOVERNING THEM OR ANY REGULATORY ORDER APPLICABLE TO THEM.

APPLICATIONS UNDER POWER OF ATTORNEY

A certified true copy of the power of attorney or the relevant authority as the case may be along with the names and specimen signature(s) of all the authorized signatories and the tax exemption certificate/ document, if any, must be lodged along with the submission of the completed Application Form. Further modifications/ additions in the power of attorney or authority should be notified to the Bank or to its Registrars or to such other person(s) at such other address(es) as may be specified by the Bank from time to time through a suitable communication.

APPLICATION BY MUTUAL FUNDS

In case of applications by Mutual Funds, a separate application must be made in respect of each scheme of an Indian Mutual Fund registered with SEBI and such applications will not be treated as multiple applications, provided that the application made by the Asset Management Company/ Trustees/ Custodian clearly indicate their intention as to the scheme for which the application has been made.

APPLICATION BY PROVIDENT FUNDS, SUPERANNUATION FUNDS AND GRATUITY FUNDS

The applications must be accompanied by certified true copies of (i) Trust Deed/Bye Laws/Resolutions, (ii) Resolution authorising investment and (iii) specimen signatures of the authorised signatories. Those desirous of claiming tax exemptions on interest on application money are compulsorily required to submit a certificate issued by the Income Tax Officer along with the Application Form. For subsequent interest payments, such certificates have to be submitted periodically.

TAX DEDUCTION AT SOURCE

In terms of Section 193 of Income Tax Act, 1961 tax has to be deducted at source from the interest on securities at the rates prescribed. Further, the proviso to the section 193 enlists the securities where tax need not be deducted at source.

Finance Act 2008 has inserted clause (viii) under the proviso to Section 193, which reads as under:

“Any interest payable on any security issued by a company, where such security is in dematerialized form and is listed on a recognized stock exchange in India in accordance with the Securities Contracts (Regulation) Act, 1956 and rules made thereunder.”

The amendment, which will be effective 1st June 2008, will have following implications:

- Taxes will not be deducted at source by the Bank from interest paid on Tier II Debentures issued by the Bank, which are listed on the recognized stock exchanges and held in dematerialised form by investors.

However in future, if there is any change in Income Tax Act, 1961, or any other statutory modification or reenactment thereof which requires to deduct tax at source (TDS) then bank will be deducted TDS at source. For seeking TDS exemption/ lower rate of TDS, relevant certificate(s)/ document(s) must be lodged 30 days before the coupon date or 31st March whichever is earlier, each financial year. Tax exemption certificate on interest on application money, should be submitted along with the Application Form. Where any deduction of Income Tax is made at source, the Bank shall send to the Debentureholder(s) a Certificate of Tax Deduction at Source.

Debentureholder(s) should also consult their own tax advisers on the tax implications of the acquisition, ownership and sale of these Debentures and income arising thereon.

SUCCESSION

In the event of winding-up of the holder of the Debentures (s), the Bank will recognize the executor or administrator of the concerned debenture-holder(s), or the other legal representative as having title to the Debenture(s). The Bank shall not be bound to recognize such executor or administrator or other legal representative as having title to the Debentures(s), unless such executor or administrator obtains probate or letter

of administration or other legal representation, as the case may be, from a Court in India having jurisdiction over the matter.

The Bank may, in their absolute discretion, where they think fit, dispense with production of probate or letter of administration or other legal representation, in order to recognize such holder as being entitled to the Debenture (s) standing in the name of the concerned debenture-holder on production of sufficient documentary proof or indemnity.

PROCEDURE FOR APPLICATION AND MODE OF PAYMENT

This being a Private Placement Offer, investors who are resident in India and who have been addressed through this communication directly only are eligible to apply.

Applications for the Debentures must be in the prescribed form (enclosed) and completed in BLOCK LETTERS in English and as per the instructions contained therein.

Applications complete in all respects (along with all necessary documents as detailed in the Disclosure Document) must be submitted before the last date indicated in the issue time table or such extended time as decided by the Bank, at any of the designated collection centres, accompanied by the subscription amount by way of cheque(s) / draft(s) drawn on any bank including a co-operative bank which is situated at and is a member of the Bankers' clearing house located at a place where the application form is submitted. Outstation cheque(s)/Bank draft(s) drawn on Bank(s) not participating in the clearing process at the designated clearing centres will not be accepted. Money orders/postal orders will also not be accepted. The Bank assumes no responsibility for any applications/ cheques/ demand drafts lost in mail.
